Open House

On Newcastle's Future

Newcastle must update its Comprehensive Plan, i.e. THE visioning document for the city's future development. A major update like this won't happen again for 10 years!

The Newcastle Planning Commission is hosting an open house for you to come and talk to commissioners, neighbors, and staff about how you think the City's development (e.g. housing, downtown shops, streets, parks and trails) should change (or not) over the next several years.

tl;dr - Please come join us! Your participation will help shape goals and policies for the City's future development!

When & Where?

Tuesday, September 26

5 pm-8:00pm with the same presentation repeated at 5:30pm and 7pm

"The Commons" room at Risdon Middle School
